IWC New York 2019

## La Quinta Elementa

Verdejo

D.O. RUEDA

Variety: 100% Verdejo

ABV: 13°

Vinification: Fermented in stainless steel for 25 days,

up to a temperature of 15°C. It has been stored in its lees in a refrigerated tank until bottling.

Volume: 75 cl

The white wine La Quinta Elementa has been made from 100% Verdejo grapes, it is light, tasty, with fruit and flowers aromas, balanced.

The vineyard's soil is formed of boulders eroded by the river surface over a sand bed. The vineyard is located west of Segovia, near the town of Aldeanueva del Codonal, within the D.O. Rueda. The vineyards in this area are known to give fruit with subtle aromas. We got low yields, which gives wines with more concentrated aromas and flavours.

The grapes have been hand harvested during the night, so we make sure that the quality of the grapes arriving to the winery is optimal.

La Quinta Elementa is ideal for those like us who love to enjoy the wine at any time and obviously repeat.

### Tasting Notes:

**Appearance:** Bright and clean with a straw yellow colour.

**Nose:** Very aromatic with predominant smells of white flowers and ripe green fruit, mainly pears and apples.

**Palate:** Balanced and structured, dry, light bodied, vibrant and refreshing acidity, sweet and fine notes of ripe fruit such as pears and apples. Tasty with long length. It is a beautiful made wine.

# LA QUINTA ELEMENTA

## BOTTLE

Type of bottle	Bordeaux Evolution
Volume	0.75L
Net weight	1.190g
Glass weight	440g
Type of cork	Colmate 1 <sup>st</sup> Quality
Type of capsule	Tin capsule
Height x width	296 x 82
EAN code	0606110353397

## BOX

Type of box	cardboard finished flexo
Units per box	6 bottles
Net weight	7.14K
Cardboard weight	250g
Height x length x width	296 x 164 x 246

## PALLET

Type of pallet	Europallet 100 x 120
Number of boxes per pallet	100
Units per layer	20
Number of layers	5
Net weight	815K
Pallet weight	15K
Type of pallet protection	cling film and celo tape
Height x length x width	151 x 120 x 80
